ServiceMaster Restore® helps you get back in business quickly

When disaster strikes, ServiceMaster Restore® is the link between you, your customer, and total satisfaction. We minimize business interruptions by quickly analyzing the problem, providing a professional assessment of the damage, determining the services needed for a complete restoration, reviewing scope of services with the adjuster, finishing the job on time, and following up to assure total satisfaction.

Let us show you how ServiceMaster Restore® can help.

866 RECOVER

866 RECOVER provides a nationwide single-source solution for disaster restoration and reconstruction services. We have one of the fastest local on-site emergency response times in the industry, available 24/7/365.

The 866 RECOVER preferred customer program will get you back in business when you need it most. It offers you:

- Comprehensive services including pre-loss contingency planning assistance
- Emergency loss mitigation response
- [Post-loss clean-up and reconstruction](#)
- Expert services in emergency mitigation

Part of any strong business plan is preparing for emergencies and natural disasters. At ServiceMaster Restore® we know that for your business, lost time is lost revenue -- and potentially lost customers. You deserve the peace of mind that comes with 866 RECOVER, a program minimizing business and financial disruptions in the event of property damage or loss.

Some questions to consider:

- Do you have a plan?
- Do you and your employees know who to call?
- Do you know that 866 RECOVER can minimize disruptions and get your business back in operation in a timely manner?

Join 866 RECOVER and enjoy the peace of mind that you deserve.

866 RECOVER is brought to you by your partners in disaster recovery, ServiceMaster Restore®.
